Revision Assignment

Subject: English language and literature (184)

Class: IX

Section – A (Literature)

I. Answer the following NCERT-based questions:

- 1) Why did the grandmother decide to learn to read and write? What role did her granddaughter play in helping her achieve her goal?
- 2) Why was the grandmother determined to become literate even though she was an old woman? What does her determination teach us about the value of education?

II. Competency-Based Questions.

- 1) Read the situation and answer:
Imagine that you are the granddaughter in “*How I Taught My Grandmother to Read.*” Your grandmother wants to learn something new but feels that she is too old to learn. What would you say or do to encourage her? Give two practical suggestions.
- 2) The poem “*Bharat Our Land*” celebrates the beauty and greatness of India. Suppose you have to create a poster titled “My India, My Pride.” Write any three things about India that you would include in your poster and explain why you chose them.
- 3) Suppose you are a teacher and one of your classmates is unable to read or write. How would you help the student overcome this difficulty? Mention any two steps you would take.
